

MacKenzie--McKenzie

Mhic Coineach

(Gaelic)

The Clan Mackenzie New Zealand Society Inc.

The aim of the Society is to promote friendship and genealogical interest.

We send four newsletters per year to financial members and meet officially once per year for a social Gathering and AGM combined. Communications are kept up with the Mackenzie Societies of UK, Australia, Canada, Americas and Nova Scotia. Membership is open to all Mackenzies & Septs of Mackenzies. Any descendants of the above, or anyone who has an interest or is a friend. There are variations in the spelling of these names, especially in the Mc, Mac, M' as is so with the original name Mackenzie. The variations in the spelling of Mackenzie came from the translation into English of the gaelic MhicCoineach.
